Domaine des Ardoisières

Vin des Allobroges Blanc Cevins Cuvée Schiste

ABOUT THE ESTATE

- Domaine des Ardoisières, located in the Vallée des Bauges of the French Alps, was founded in 1998 and has become a benchmark Savoie estate under the care of winemaker Brice Omont since 2005.
- The domaine has expanded to approximately 12 hectares across premier sites including Coteau de Cevins, Saint-Pierre-de-Soucy, and the legendary Arbin hillside (acquired from Domaine Louis Magnin in 2022), featuring 70-80 year old Mondeuse Noir vines.
- Ardoisières produces wines from Savoie's unique varieties including Altesse, Jacquère, Roussanne, Mondeuse Noire, Chardonnay, Gamay, and rare Mondeuse Blanche and Persan, all farmed using biodynamic principles.
- The winemaking approach involves native yeast fermentation, minimal sulfur additions, and light filtration..
- Brice Omont's wines are celebrated for their crystalline purity and mineral character that captures the stony alpine terroir, establishing him as one of France's most exciting producers.
