

Domaine Bernard-Bonin Meursault Les Narvaux-Dessous

ABOUT THE ESTATE

- Nicolas Bernard and Veronique Bonin are producing some of the finest whites coming out of Burgundy today.
- They are committed to biodynamic principles, which allow them to maintain the health of their grapes and reach full ripeness faster than almost any other producers in Meursault.
- Vinification is closely monitored, with each barrel tasted individually to determine the optimum exchange between wine and lees.
- A long élevage (15-18 months) and racking just before bottling ensure that the wines are naturally clear and stable, thus avoiding fining and filtration.
- The style of these wines is singular - simultaneously fresh, rich, mineral, and vibrant.

VINEYARDS & VITICULTURE

From a plot owned by Véronique's aunt until 2021. This climat overlooks the premier crus Genevrières and Poruzots. It shares with them the same type of substrate: a fairly stony and thin brown earth soil that quickly gives way to the bedrock of the Bathonian. This steep and well-drained terroir also benefits from an eastern exposure.
