

Charodon Bourgogne Blanc

ABOUT THE ESTATE

- Charodon was founded in 2010 by Louis Vallet, whose Gevrey-Chambertin-based family has deep roots in Burgundy.
- Louis brings both local and global expertise to this project, as prior to 2010, he worked in Burgundy and internationally.
- All land is leased on long-term contracts and farming is organic.
- Winemaking is largely hands-off, with indigenous yeast fermentation and long aging in French oak. These wines are characterized by not only their upfront appeal, but also their ability to evolve and gain complexity.
