

Dugat-Py

Gevrey-Chambertin Coeur de Roy TVV

ABOUT THE ESTATE

- Domaine Dugat-Py was established as its current incarnation in 1994, though the Dugat family has roots in Gevrey that stretch back to the 19th century.
- In 1996, Loïc Dugat joined the family business, starting a new era, both in production and in style.
- Organic conversion was started in 1999, with full accreditation in 2003, and the domaine stretches to ten and a half hectares, nearly all planted to very old vines.
- Work in the vineyard is extremely natural, with biodynamic tea preparations, horse plowing in the 1er and Grand Cru vineyards, and no vine trimming.
- Loïc has shepherded in a clear evolution, crafting wines with balance and finesse that serve as a phenomenal next chapter for Domaine Dugat-Py.

VINEYARDS & VITICULTURE

Planted between 1910 and 1965. A blend of several sites within Gevrey-Chambertin (Les Epoutures, Combe du Dessus, Jouise, and Les Marchais) and named after the family that once owned some of the parcels. Extremely old vines of Pinot Fin that generate very low yields and naturally concentrated berries. All selection massale, using their best Pinot Fin to replant. The vineyards are tended like a garden, with horse plowing, biodynamic teas prepared in-house, and no trimming of the canopy. Organic vineyard management since 2003.

HARVEST & VINIFICATION

No pre-fermentation maceration (cold soak) is done on any wines, just raw material, without any additives or correction. Fermented with 50% whole cluster. Aged 16 to 18 months in oak barrels. Wine is unfiltered and unfined.
