Société Agricole de Lafleur

Château Grand Village Bordeaux Blanc

ABOUT THE ESTATE

- Société Agricole de Lafleur, run by the Guinaudeau family, encompasses six prestigious wines: Château Lafleur, Les Pensées, Château Grand Village red and Château Grand Village white, Les Champs Libres, and Les Perrières.
- Sitting opposite Pétrus, Château Lafleur has for nearly a century been quietly producing wines that are comparable in quality to its superstar neighbor. A different wine is also produced, Pensées de Lafleur. It is its own cru (not a second wine) from a separate parcel of vines in the center of the Lafleur vineyards.
- Château Grand Village encompasses 20 hectares of clay, limestone, and gravel soil in Mouillac and are farmed biodynamically and planted entirely to massale selection from Lafleur.
- Located near Château Grand Village, Les Champs Libres is the Lafleur rendition of a great white wine. Their Sauvignon Blanc is planted on the clay-limestone soils of the plateau of Louima.
- Founded in 2018 by Julie and Baptiste Guinaudeau, Les Perrières is a singular rendition of Bouchet de Lafleur grown on five adjacent parcels on the plateau of Meyney.
