

## Clément Lavallée

### Irancy Les Ronces

#### ABOUT THE ESTATE

- After several years of oenology studies all around the world, Clément Lavallée has created his own label in his home appellation of St-Bris.
- With 14 hectares of vines in Chablis, Côtes d'Auxerre, and Saint-Bris, Clément is committed to elevating the prestige of northern Burgundy.
- Clément works organically, but is not certified, and avoids the use of herbicides and chemicals in the vineyards.
- Work in the cellar is also natural, with indigenous yeast fermentation, no sulfur during pressing, and gravity used for moving the wine.
- Clément is part of a new generation of winemakers that are exploring the vast potential that still lies undiscovered throughout Burgundy.
