

Morgadio MC Douro Tinto

ABOUT THE ESTATE

- The heart of Morgadio, Casa da Calçada is a great vineyard house dating back to the 17th century.
- The Pimintel family has been here in Provençende since that time, looking after the five hectares of vineyard land.
- Dirk Niepoort first visited this distinctive plot in the late 1990s and fell in love with it immediately, purchasing its grapes to make his own wines.
- Dirk continues to make tiny quantities of wines from this property, including Port, and red and white table wines.
- This microclimate is celebrated in every bottle, providing an unparalleled glimpse into this corner of the Douro Valley.
