Vinho Verde Nat Cool

ABOUT THE ESTATE

APPELLATION
Vinho Verde DOC

SUB-REGION
Lousada

GRAPE VARIETY
Azal, Arinto, Avesso, Trajadura, Loureiro

FARMING
Sustainable, Organic, Biodynamic, Vegan

SOIL
Granite

VINEYARDS & VITICULTURE
Nat Cool is about producing low-intervention, terroir driven wines from indigenous varietals. The grapes are grown in two areas of Vinho Verde: Amarante and Lousada. The vines are on average 25-30 years old.

HARVEST & VINIFICATION
The wine was made according to the old-fashioned methods: native yeast and a few grams of sugar were retained in the wine so that it would ferment again in bottle. Malolactic fermentation also took place in bottle .

ALCOHOL BY VOLUME
12.0

PACK SIZE
12x1L
