

Domaine Albert de Conti

Vin de France Pétillant Naturel

ABOUT THE ESTATE

- Domaine Albert de Conti was established in 1963 in the village of Saint-Julien d'Eymet.
- For many years a part of Château Tour des Gendres, Albert's grandchildren Guillaume and Paul de Conti, joined by the cellar master, Yann Lecoindre, have reestablished the stand-alone estate.
- All farming is organic and the team is implementing biodynamic and agroforestry methods to restore and strengthen the natural balance of the land.
- Innovation is at the forefront of this young estate, as the team wishes to highlight the Périgord IGP and grape varieties that are not part of the Bergerac AOP.
- Domaine Albert de Conti represents the bright future of this ancient region.

Clay and limestone soil

VINEYARDS & VITICULTURE

The vineyard is over a limestone bedrock that grants minerality to the wines. The topsoil is clay, which contributes complexity and structure.

HARVEST & VINIFICATION

100% destemmed. Direct grape crushing, very softly. Partial fermentation in stainless steel vats with indigenous yeasts. Aged on the lees in stainless steel tanks, then bottled before fermentation is complete. The bubbles form naturally in the bottle. Minimal filtering after 2/3 of the fermentation. No sulfites added.
